Ninety-One Braved the Weather. The officers and teachers of the First Christian church Sunday school were gratified over the showing made yesterday in the face of the very disagreeable weather. Ninety-one persons, mostly adults, were in attendance. The weather was too bad for the little ones to get out. Let every one be on hand next Sunday, though, and make up for the decrease yesterday. ## The Fit of a Collar

depends entirely upon the way it is laundered. Some laundries will take a brand new collar and launder it so poorly that it will fit like a collar which is several years out of date. Our modern methods for shaping collars give them a style, finish and fit which cannot be questioned by the most fastidious. We invite trial packages from all who are interested in high-grade work. Phone us and our wagon will call.
